

# 2018 2nd International Conference on Materials Sciences and Nanomaterials (ICMSN 2018)

University of Liverpool, the United Kingdom, July 11-13, 2018

## Conference Introduction

2018 2nd International Conference on Materials Sciences and Nanomaterials (ICMSN 2018) will be held in Liverpool, the United Kingdom during July 11-13, 2018. The conference will cover areas within material science and focusing on synthesis and characterization of nanomaterials, futuristic applications of nanotechnology, manufacturing, processing of Materials and related nanomaterial topics. ICMSN 2018 will be an important platform for inspiring international and interdisciplinary exchange at the forefront of materials sciences and nanomaterials.

### Good News

1. Famous professor as Keynote Speakers  
Prof. Yuyuan Zhao, from University of Liverpool, UK;  
Prof. Maria Tomoaia-Cotisel, from Babes-Bolyai University of Cluj-Napoca, Romania;  
Prof. Angelo Maligno, from University of Derby, UK;  
Prof. Faramarz Djavanroodi, Prince Mohammad University, Saudi Arabia

### Important Date

Submission Deadline:	Before May 20, 2018
Notification Date	May 30, 2018
Registration Deadline	Before June 10, 2018
Conference Date:	July 11-12, 2018
One Day Visit	July 13, 2018

### Publication

1. Materials Science Forum (ISSN: 1662-9752); Indexing: **Ei Compendex**, **Scopus**, Inspec, DOAJ, CPCI (Web of Science)
2. International Journal of Chemical Engineering and Applications (IJCEA, ISSN: 2010-0221); Indexing: Chemical Abstracts Services (CAS), DOAJ, Google Scholar, ProQuest, and Crossref etc..

**One Day Academic Visit in University of Liverpool, on July 13, 2018**

## Call for Papers

Topics of interest for submission include, but are not limited to:

**(Nanomaterials):** Different Methods for Growth of Nanostructures, Nanostructured Thin Films and Coatings, Doped Nanomaterials, Modification of Nanomaterials, Characterisation of Nanomaterials, Nanocomposites, **(Electronic Materials):** Electronic Materials, Semiconductor Materials, Display Materials, Battery Materials, Optical Materials, Dielectric Materials, Ferroelectric Materials, Conductive Metal; **(Material Chemistry):** Materials Chemistry, Classical Analytical Chemistry, Instrumental Analysis, Optical Analysis, Polymer Science, Material Processing; **(Materials Processing Engineering):** Materials Processing Engineering, Metallurgy Technology, Polymer Materials, Casting, Welding; **(Structural Material):** Structural Materials, Wrought Iron, Cast Iron, Steel, Reinforced Concrete, Prestressed Concrete
